

PMC Commercial Trust is currently seeking a Commercial Loan Analyst. The ideal candidate will have experience in accounting, financial analysis or commercial loan processing.

Qualifications:

- Bachelors Degree or equivalent of 3+ years experience.
- Familiar with financial statements, tax returns and evaluating credit worthiness.
- Ability to coordinate loan processing.
- SBA lending experience a plus.

Job Purpose:

Process loan applications through underwriting and closing while complying with company and SBA policies and procedures.

Responsibilities:

- Analyzing, processing and closing of commercial loans while complying with company and SBA policies and procedures.
- Daily duties include reviewing personal and business financial statements, tax returns, credit reports, cash flows, collateral, project costs/budgets (including construction), and borrower's management ability in order to provide a complete application to Loan Committee.
- Coordinating the closing of loans with Closing Attorney, Title Company, and Borrower.
- Review documents to ensure loan compliance.
- Act as intermediary between Borrowers, Loan Committee and Closing Attorney while ensuring a high level of customer satisfaction.
